terms of service

This AGREEMENT (the "Agreement") is made and entered into between Bitstop Network Services, Inc. ("Host") and _____ ("Client") (each being referred to individually as a "Party" and collectively as the "Parties"). By registering for an account with Bitstop Network Services, Inc. you agree to all of the terms and conditions contained in this agreement.

Services

Hosting Services

Host agrees to provide Client with services for hosting of a site on the World Wide Web portion of the Internet (the "Web Site") as set forth or described in the Pricing Schedule contained in this document. Host shall provide the Hosting Services so that the Web Site is accessible to third parties via the World Wide Web portion of the Internet as specified herein. Except as expressly provided herein, Client agrees that Host is responsible only for providing the Hosting Services, and Host is not responsible for providing any services or performing any tasks not specifically set forth in the Pricing Schedule. At the time of execution of this Agreement, to the extent that Client wishes to receive from Host Additional Services the arrangements for their provision shall be set forth in a separate addendum to this Agreement which is duly executed by the Parties (the "Services Addendum"), and the Services Addendum shall be incorporated into, and become a part of this Agreement. (The Hosting Services and the Additional Services will hereinafter be referred to collectively as the "Services").

Content

Client shall be responsible for maintaining its own content via FTP (file transfer protocol) or other means to maintain such content.

Availability of Web Site

The Web Site shall be accessible to third parties via the World Wide Web portion of the Internet twenty-four (24) hours a day, seven (7) days a week, except for scheduled maintenance and required repairs, and except for any loss or interruption of Hosting Services due to causes beyond the control of Host or which are not reasonably foreseeable by Host, including, but not limited to, interruption or failure of telecommunication or digital transmission links and Inter-net slow-downs or failures. In the event of any loss or interruption of Hosting Services, Client's sole and exclusive remedy and Host's sole and exclusive liability for any loss or interruption of Hosting Services shall be as follows: for loss or interruption of Hosting Services which is due to (i) causes other than scheduled maintenance and required repairs, or (ii) causes beyond the control of Host, or (iii) causes which are not reasonably foreseeable by Host, including, but not limited to, interruption or failure of telecommunication or digital transmission links and Internet slow-downs or failures, which loss or interruption of Hosting Services exceeds a continual period of twenty-four (24) hours, Client shall receive a credit against future Hosting Services equal to a pro rata portion of Hosting Services fees for the period of downtime.

Domain Name Registration

As part of the initial Hosting Services, Client shall provide Host with a registered domain name, or Host shall register domain name(s) selected by Client provided that such domain name is available for registration and does not violate any ICANN or other registration services' policies, or any law or regulation. Client agrees to promptly reimburse to Host any fees paid by Host to a domain-name registrar or other registration services with respect to the registration and maintenance of such domain name.

Domain Name Disputes

Host shall not be liable for any domain-name disputes which Client may enter into or otherwise encounter. Such disputes shall be governed by the relevant ICANN dispute procedures adopted by the domain-name registrar with whom Client's domain-name has been registered.

Additional Storage and Transfer

In the event that the Web Site requires storage and transfer on the Host Server which exceeds the amount of storage included in the Hosting Services, Client may, upon two (2) days written e-mail notice to Host, request that Host (a) upgrade the level of Hosting Services, or (b) acquire additional incremental storage to be included in the Hosting Services, on a time and materials basis and in accordance with the Pricing Schedule hereto. Host shall review all such requests and determine, in consultation with Client, whether it can reasonably comply with such requests and, if so, Host shall propose a procedure and budget for complying with such request.

Client Content

Client assumes sole responsibility for (a) acquiring any authorization(s) necessary for hypertext links to third party web sites, (b) the accuracy of materials on the Web Site, including, without limitation, Client Content, descriptive claims, warranties, guarantees, nature of business, and address where business is conducted, and (c) ensuring that the Client Content does not

infringe or violate any right of any third party. Notwithstanding the foregoing, Host reserves the right, in its sole discretion, to exclude or remove from the Web Site any hypertext links to third party web sites, any Client Content on the Web Site, or other content not supplied by Host which, in Host's sole reasonable discretion, may violate or infringe any law or third party rights or which otherwise exposes or potentially exposes Host to civil or criminal liability or public ridicule, provided that such right shall not place an obligation on Host to monitor or exert editorial control over the Web Site.

Limitations on Client Content

Client shall place only content that does not contain any materials which are obscene, threatening, malicious, which infringe on or violate any applicable law or regulation or any proprietary, contract, moral, privacy or other third party right, or which otherwise exposes Host to civil or criminal liability. Any such materials placed on the Web Site which do not satisfy the foregoing requirements shall be deemed to be a material breach of this Agreement.

Spam

Client shall not send bulk e-mail, commonly know as spam, from or through their account. Any use of Client's account to send bulk e-mail shall be a material breach of this agreement and shall be grounds for immediate cancellation of Client's account without notice.

The indemnified Party may, at its own expense, assist in the defense if it so chooses, provided that the indemnifying Party shall control such defense and all negotiations relative to the settlement of any such claim and further provided that any settlement intended to bind the

indemnified Party shall not be final without the indemnified Party's written consent, which shall not be unreasonably withheld.
